* CLAIRE & ANDREW'S PERFECT DAY

'We would start with **breakfast** sitting in the sun on the deck, looking out to sea, followed by a **morning stroll** with the dog along the cliff path to Carne beach. Then **lunch** at The Ship Inn in Portloe (01872 501356) before **shopping** at Onda in St Mawes (01326 270456, ondarocks.co.uk) because going there always feels like a holiday. In the afternoon we'd **go for a swim** in the palm-fringed outdoor pool at The Nare Hotel (01872 501111, narehotel.co.uk) and end with **dinner** at The Lugger Hotel (01872 501322, luggerhotel.co.uk), where the seafood and puddings are out of this world.'
